

# End House Stud

## Proven Competition Stallions

British Equine Veterinary Association Approved

Artificial Insemination Centre

Established 1988

### Procedures and Costs

1. The Nomination agreement to be completed and signed.
2. Return Nomination Agreement along with cheque to cover stud fee and £150 deposit to cover semen collection, analysis, preparation, outward shipping and hire of Equitaner.
3. Any deposit accounts in credit on October 1<sup>st</sup> of the season will be returned with covering certificates unless to be held over for the following season.
4. The cost per cycle is £70 to include: Semen collection, analysis, Preparation, hire of Equitaner and outward shipping. Please note: Saturday before 9am deliveries are not guaranteed in some areas (but it will arrive that day), please check with your local post office for details.
5. Please ensure Equitainers are returned within 3 days, as delays in Equitaner returns will result in clients being charged at £15 per day. Non-return of Equitaner will result in client being charged for replacement.
6. Return Labels are included for your convenience with semen paperwork.
7. Frozen Semen transport cost for 2 doses, please contact the stud for more details.
8. No Covering Certificates will be issued unless all accounts are settled in full, thus your foal will not be eligible for registration. Failure to settle accounts will result in the forfeit of your free semen return for the following stud season.
9. **Semen requests must be made by 12 noon to ensure next day delivery. Any requests made after this time may result in the unavailability of semen.**

**All cheques made payable to End House Stud**

**PLEASE NOTE NO SEMEN WILL BE DISPATCHED WITHOUT  
EQUITAINER DEPOSITS AND STUD FEE CHEQUES HAVING CLEARED,  
ALTERNATIVE PAYMENT CAN BE PAID BY BANKERS DRAFT, POSTAL  
ORDER OR DIRECT BANK TRANSFER, PLEASE CONTACT THE STUD  
FOR DETAILS.**
