

THURSDEN VALLYE RAPHAEL

The Heir Apparent

Bay 14 hands (143cm) 2003 British Riding Pony Licensed NPS
Registered Part-Bred Arab (14.6%)
Sire – Aimbry Chester
Dam - Berry Rose Dawn Chorus
(Yealand Nightowl)
Stud Fee On Application

In his career he has conquered the far corners of the United Kingdom taking championships from Scotland, Wales, and as far as the South Coast - Unbelievable !!

Thursden Vallye Raphael a striking son of Graded Sports Pony Stallion **Aimbry Chester** out of a classically bred SPSS graded **Yealand Nightowl** mare. This elegant pony has an exquisite head, fabulous athletic paces and superb temperament. He has very correct conformation with a fabulous front, length of rein and the ability to inject quality into all types of mares, continually producing his own stamp over and over again. He does not carry the red gene so therefore has never produced a chestnut foal even to chestnut mares. This attractive talented pony stallion shows a careful jump over poles, loose jumping up to 1.15m and is bold and brave across country, water, ditches, banks etc hacking out alone and in company. He has been fully vetted and licensed with the National Pony Society. Chocolate is regularly ridden and handled by children. This must surely be testament to his outstanding manners and temperament, he is the perfect Childs pony – the type mothers dreams are made of.

Raphael has taken all the qualities from his father's influential warm blood breeding which includes Advanced Dressage Stallion **Wadacre Chicko**, top international show jumping stallions **Ramiro Z, Lady Killer, Rastell and Raimondo**, as well as his mothers top class riding pony breeding which includes **Yealand Nightowl, Bottingelle Swansong, Bwlch Valentino, Oakley Bubbling Spring and Blue Print. Berry Rose Dawn Chorus** was a winning Riding Pony Broodmare, when she graded with The Sports Pony Studbook Society in 2003, Raphael was described by both judges as an outstanding foal with excellent conformation, temperament and charisma.

He is now being produced as a Dressage pony, with the aim to be selected with a junior rider for BYRDS pony teams. He is already working at advanced medium level & won first time out at Novice level scoring 69.5% he currently has over 100 British Dressage points. He is currently winning at elementary/medium level. He has been selected for the PBA team for The NPS/Topspec International Dressage Final at Addington 2012. Qualified Summer and Winter BD Regional Finals, In 2009 he began his showjumping training with international junior showjumper Lara Whiteway who is a member of the Junior British Team; he is very brave and careful over a fence. Autumn 2009 he competed at the Cherif Championships carrying a side saddle something he took to after only a week's training. His long term career plans are to be

produced as potential JA and FEI event pony as well as an outstanding ridden show pony, his career potential is unlimited.

We consider him to be a superb choice to breed top class children's competition ponies including show hunter ponies, working hunter ponies, dressage, and jumping ponies. As well as the ability to down size to breed fabulous Hacks, Ridden Part Bred Arabs and Intermediates from larger mares. His youngstock and foals are proving to be exquisite with fantastic temperaments and conformation and that incredible "look at me" factor. Raphael is a top class multi champion performance pony stallion with an outstanding competition record. He surely must be the best performance pony stallion standing in Lancashire and probably without a rival in the North West of England.

Frozen Semen is also available in Australia, South Africa, Northern Ireland and the European Union.

"The Topspec Supreme In Hand Champion was Thursden Vallye Raphael, who was also our Roseberry overall Champion and the Spring Show Supreme- there is something in his stud advert that states " he walks on water" he has certainly lived up to that at Area 4 shows this season"

NPS Area 4 Autumn 2008 News Letter.
